GOAL:

Develop methods to deliver education workshops to district and club leaders using various technology platforms.

Suggested Agenda Items:

- How can we incorporate more technology into our district and club training programs
- Can we use webinars for those purposes
- Can we develop a club financial software program
- Can we do more communication via conference calling, etc
- Storage of district records- DMM Webpage or Google Docs.
- Technology survey via SurveyMonkey to club Presidents?
- How to get communication out to all members ? DMM Dispatch/On-Line versions.
- District Technology Team assist clubs in creating and maintaining a web site
- Other discussion topics
